

SQUELCH TALE

Central Missouri Radio Association

KØSI 146.76(-) PL 127.3

www.k0si.net

October 2010

The Central Missouri Radio Association is the oldest Amateur Radio Club in the Columbia, Mo. area. Check out our web site at: www.k0si.net. If you have ideas for Web content, send them to Jim, WYØB.

To submit articles for this newsletter contact KCOHSB, John, at the next club meeting or at kc0hsb@centurytel.net. Also, if you have any changes in your address or method of receiving the newsletter, please contact John.

CALENDAR

Our regularly scheduled monthly meeting is normally held at **Boone Electric** on the 2nd Tuesday of the month at 7:00 p.m.

Each third Monday evening of the month testing is conducted for new amateur radio licenses and upgrades at the club station on Worley St in the Red Cross building basement.

Each Wednesday is Club Net at 9:00 p.m. If you're interested or willing to volunteer for Net Control or if you have questions, contact NØUBC, Don.

If you have not **renewed** your membership for 2010, see the treasurer, Don Moore, KMØR, at the meeting, or mail a check for \$20.00, (\$25.00 per family) to: CMRA; P.O. Box 283; Columbia, MO. 65205.

CLUB CALENDAR:

* Oct. 12, CMRA Monthly Meeting, 6:30 PM, Boone Electric (Note the special time this month.)

CMRA Meeting Minutes

Boone Electric Cooperative Conference Room
September 14, 2010
President Daniel KCØUTW called the meeting to order at 7:00 pm with 23 members and two visitors present.

Members introduced themselves by name and call sign. Minutes of the August 10, 2010 were approved as published on the web site.

Treasurer's report was postponed. MS bike ride reported by Don KMØR went well; nets were smooth. A few incidents occurred on Saturday, at least two were hospitalized. Feedback can be sent to Don KMØR who will forward it to appropriate parties.

Fox hunting has been slow recently. Next one is 9:30 am this Saturday beginning at Boone County Regional library. Next week at Jefferson City will be in the afternoon.

Signaling merit badge has been taught in Jefferson City and will be so in the future at St Andrew's Lutheran church (probably Troop 706).

ARES at Jeff City will be a SEMA ARES exercise. It will be an earthquake exercise, collaborated with SE Missouri folks.

Dale AEØS needs extras September 30 for testing at Sedalia, 9:30 am or evening. Several volunteered.

Dale Huffington, AEØS will be testing liaison for CMRA. Public exposure will be Mike Hauan, ACØG.

Net manager for the Wednesday night net will be Don Scism, NØUBC.

President Johnson KCØUTW on behalf of the CMRA board and club a extended a thanks to Dewey Bennett WMØH for efforts expended over the years for testing and as net manager.

Dale AEØS reported that the Red Cross building changes originally reported are not in effect. The new director says that we may use the conference room downstairs.

Dewey WMØH suggested that we dispose of old QSTs and other magazines and clean up the club station. President Dan KCØUTW appointed Dewey as clean-up chair for the club station.

A chair for next year's auction is needed as reported by Bob KØYBN (two persons are needed). The room at Columbia Regional Hospital conference room has been reserved for July 12, 2011.

The St Joseph Hamfest is from 9:00 am to 3:00 pm next Saturday Mike ACØG reported that he has made some inquiries about instruction. Pam KDØGRQ had info about a session at Broadway

Christian Church 5:30 to 7:00 pm
Thursday Sept 16 2010. Mike
cannot go there that night. Wes
ABØSE can be there early. Russ
Stodt is contact.

QSL cards are coming in from the
Great Rivers Council BSA event at
Fayette.

Don NØUBC reported on DX on
HF recently.

Tim KCØTXW reported by Daniel
that 4-H clubs in northern Boone
Co MO are interested in ham radio.
They were invited to CMRA
meeting.

John KCØHSB is sending two hard
copies of newsletter each month.
Does club still want him to
continue? Consensus was to
continue to send the publication to
the recipients as long as they pay
club dues.

Next month program will be on
Missouri Earthquake (2-2.5 hours
shortened). Pam reported that
Steve Bessmer will be the speaker.
Consensus was to begin next
meeting at 6:30 pm to permit the
program first and an abbreviated
meeting last. Speaker will be here
at 6:00 pm to set up. The program
will be announced on the
Wednesday night net.

Don NØUBC moved, 2nd Max
KCØSRL that meeting be
adjourned. Motion carried at 8:05
pm.

* The Apple iPod Touch, iPhone,
and iPad can access EchoLink.

Now so can Android smart phones.
The EchoLink website says:

"EchoLink for Android is an
edition of the EchoLink software
that runs on an Android smart

phone or tablet, such as a Motorola
Droid or an HTC Evo. If you own

one of these devices and are a
validated EchoLink user, you can

access the EchoLink system from
nearly anywhere where Wi-Fi or

3G networking is available.
EchoLink for Android is available

free of charge from the Android
Market." Read more at

http://www.echolink.org/faq_android.htm
