

CMRA – Monthly Club Meeting Notes

May 12, 2026

Opening of Meeting

Review/Approval of April 2026 Meeting Minutes (Charles K0CBV & Bob AE0UB – Approved by membership)

Committee/Officer Reports

Treasurer – Herb K0ZB (Bob AE0UB & Charles K0CBV – Approved by membership)

Checking:	\$7298.45
Savings:	\$5
CD's:	A total of (4) \$500.00 CD's at various interest rates
Total Assets	\$9336.87

Education – (Herb K0ZB) all students from last class who passed exam have received their license. We now have 2 new generals and 6 new techs from the class. Fall class schedule has been posted (<https://k0si.net/education/training-classes/>) and already has three students signed up.

Testing – (Bob AE0UB) three people tested last month. There was one new general and one new tech. Two people signed up for next week

Old Business

Lewis and Clark Trail On The Air LCTOTA (Corey KF0U) June 6 (00:00 UTC) - June 21 (23:59 UTC), 2026. Anyone interested in participating email Corey (kf0u91@gmail.com) to get an account setup with LCTOTA. Corey will need your callsign, email address and cell phone number. Additional details can be found here: <https://lctota.org/>

Ready Festival (Jim K0MIZ) – September 17, 2026 at Cosmo Park (Lamb Shelter) from 3:00pm until 7:00pm weather permitting. Emergency preparedness is the focus of the event with many different organizations there to meet the public. Additional details can be found here: <https://www.boonemo.gov/oem/plan-prepare/festival.asp>

Fox Hunt (Rex W0RXR) – Champion for the event was Charles K0CBV. We learned a lot in running a fox hunt. Next one at Field Day (small event). Will have an antenna workshop ahead of the event next time.

Field Day (Jim K0MIZ) - June 27, 2026 at Waters-Moss Memorial Wildlife Area off old US-63. ARRL website National Resource (<https://www.arrl.org/field-day>). Same rules as last year. Sign-up sheet for equipment and pot-luck (5 pm) is going around. Jim received the permit, so we are legal. Chris K0PHP has some power supplies he plans to mate up to the club rigs.

Information packet for new members – Jim K0MIZ will be putting that together.

New Business

SARS Exercise – Chris (K0PHP) May 23, 2026 from 0900 until 1400. At least four club members to assist CERT team in disaster assessment exercise. Matt Browns with Boone County EOC is the contact if you'd like to participate. His email address is mbrown@boonemo.gov.

Chris (K0PHP) requesting club members monitor local repeaters to answer folks passing through the area. He is also wanting to use a new DMR talkgroup to link all three repeaters together (VHF, UHF, and 900). Both points are to increase use of the club repeaters.

Membership – Colten Mayberry (KC0JLW) and Brian Struchtemeyer (K0EWB) applied for membership and were unanimously approved by the club.

Storm Net – 146.61 (BCARES Repeater) If there is a threat of severe weather and primary net controls are unavailable, then go ahead and start the net. Take reports and then relay once primary net control gets on the net. Ashland UHF is the backup repeater. Weather reporting discussion ensued.

Closing vote (Charles K0CBV and Rex W0RXXR – Approved by membership)

Program: Myron demonstrated his 2 element portable yagi. Bob and his Radio-oddity antenna....
