

CMRA November 2015 Meeting Minutes

The meeting started with the program about Space Weather and Propagation from Carl Luetzelschwab. It was a very good program and many questions were asked after the presentation. Thanks to Dave (KDOEAG), Corey (KCOYNS) and Don (KMOR) for setting up and conducting the skype session.

The meeting was called to order at 2000 by Don (KMOR) treasurer. There were 26 in attendance with several visitors and prospective members.

The October minutes were approved as written.

Treasurer's Report: CD = \$2291.53

Checking Account: \$684.87

Old Business:

Jon (NOOFJ) reported on the trailer. The bench seat has been completed and installed. It needs to be painted yet. Plans are for mounting hooks for cable, extension cords, and various other hangable objects; antenna mast mounts. The next trailer work day is tentatively set for a Saturday in January.

Jon also reported on the last VE test session. There were two test takers. Both passed: 1 extra, our own Jerry Coats (KE0ARW) and 1 tech.

Joe (NOJEC) made the net report. We had 4 sessions, 57 QNI, and 4 QTC. We still need more net controllers to help spread the workload out a bit. Contact Joe (NOJEC) if you are interested.

New Business:

Dave (KVOS) asked about the CMRA December meeting. Joe (NOJEC) accepted the challenge to arrange the meeting at our usual place (Golden Corral).

Bill (NOAXZ) briefed us on the upcoming Simulated Emergency Test (S.E.T). At this time, we have 22 participating in two counties. The clubs in Jefferson City will also be joining us. The RMS forms scheduled for use during our SET have been frozen at version 2.3.0. Thanks Bill for coordinating all this.

J.D. Simmons (WAOBER) briefed us on the Jefferson City plans for their SET.

Joe (NOJEC) and Don (KMOR) briefed the gathering on the planned upcoming Brainstorming Session for planning fund raising and grant requests, plus setting priorities for the trailer. It will be on 5 Dec at 1:30 PM at Boone Electric.

The meeting was adjourned at 2107.

Respectively Submitted,

Joe Casler (NOJEC)

Recording Secretary
