### OLD BUSINESS

SET (Simulated Emergency Training) event was scheduled for November 5<sup>th</sup> from 10am to 12pm. Bill, N0AXZ reported that the SET training went very well. There were 178 calls logged by Net Control with only 3 locations in Boone County that were yielded unsuccessful contacts. A big thanks to Bill and everyone who participated and for all their hard work that went in to making this a successful test!!

### NEW BUSINESS

A Nominating Committee was formed. The members who volunteered for the committee are Bill N0AXZ, Gary KE0HTY, and Myron WOZH. The Nominating Committee will meet some time before January to consider the nomination of new club officers.

December Christmas Dinner was discussed. A change in location was voted on and accepted by the attending members. The new location will be the Hyvee on Connolly Rd. Ellen, WBOVML provided information on pricing and entrées that will be provided. It was discussed reserving the upper floor meeting room at the Hyvee location at a rate of \$75 for the room and \$15 per person. Also noted was that if our group is 25 people or more there will be no charge for the room. The room reservation at Hyvee was made for December 19<sup>th</sup> which is also the night when club testing is performed.

Bill, N0AXZ told the club that December 3<sup>rd</sup> was SKYWARN Recognition Day where the Amateur Radio Community is recognized for their public service contributions to the National Weather Service. The link for more information can be found here:
