Now on with the fun. The auction started and believe me it was a ball and if you missed it you sure missed a lot of fun. Everything was sold and the club made \$523 dollars which included \$1.00 donated by Brent Voorhees just to have more fun. I think if I moved out of state I would come back just to be here for the auction, great fun. Already looking forward to next year. Would also like to thank Bob KØYBN for all the hard work he put into making this such a grand event.

Also remember if you would like to take a test for ham radio please let me (WMØH) know so we can get VE's together. Testing is given at the club station on the 3rd Monday of the month at 7pm. We need more people to upgrade or get their license. Study hard, you can do it.
