Old Business - HAMFEST

The vendors inside were about the same as last year but the flea marketers outside almost doubled from last year - talk about growing WOW.

As far as I could tell (or heard) we had only one person that wasn't very happy but the National Guard does not allow smoking inside their building so all in all we had a pretty happy bunch of attendees. The forums were excellent (I heard) and the food was great. We do want to thank the ladies for doing the cooking and serving and looking sooooo goood. Anyone else willing to step up to the plate and take the job of Hamfest Chairperson? Just look at all the GLORY you will get, and to have your name go into the book of famous people. John, KC0HSB suggested we have two people at the club table.

The MS 150 did another great job this year, no figures yet but they will be coming I am told.

New Business -

Audio News - I think somebody was to listen in on this and report at the next club meeting. Wonder who that was?????

We started to talk about the auction for next year but at this time that has been tabled so be at the next club meeting for more on this.

That's all for this time so come to the club meeting and let's have a great time.
