Minutes:

Meeting opened at 7:00

Minutes read and approved

Old bus: shirts and badges - We voted on approved a logo for the club and boy does it look neat.

The ARRL audio news has been tabled for now - more later. Hamfest - Well we talked a lot about the hamfest and who needs to do what and of course by now you know how it all came out. Be at the next club meeting and find out how we did. We need everyone's input on what needs to be improved and what was done great so we can make next years hamfest even better.

Of course the hamfest was the main topic of the club meeting.

Meeting was closed at 8:23.

VE Corner

At the hamfest we had 6 people testing and now have one new Tech one new General and one new Extra. Only one person did not pass an element. I would encourage everyone to upgrade so you can enjoy more radio. If you enjoy radio now just think how much more fun you could have.

Well until next time be RADIO ACTIVE.

Dewey
